Concert Reflection Questions

Name: ________________________________________________ Orchestra: ______________

*Please answer in complete sentences.*

How do you feel your orchestra performed last night?

How do you feel that you performed as an individual? Was there a section of the music that you feel you performed particularly well?

Did your parents / friends have any reaction to your performance?

How did you feel about the difficulty of the music you performed? Please rate the music on a scale of 1-10. 1=really easy 10=crazy hard. Did you feel it was the appropriate difficulty for the group in the amount of time we had to prepare?

So far this year what piece have you most enjoyed performing and why?

If you could give out two compliments to individual players or sections for their performance at the concert who would you give them to and why?
What are two things that you think your orchestra could have done better in performance?

How do you feel that the class is running so far this year? Any suggestions for improvement?

Thanks for your feedback.
